Resort Updates

As the new ski season launches, all of us here at Circle J Club are excited to welcome you! Many new faces have joined us and have been a wonderful contribution to the resort. We're all feeling festive this holiday season and had so much fun decking out the clubhouse for the holidays.

We recently completed our two-week maintenance period. During that time, Associates made repairs and improvements across the resort for your enjoyment in the coming months. The Maintenance Team went through all the units with a detailed checklist to make sure everything is in top shape. This included ensuring all appliances, furnaces, water heaters, plumbing, lights and bulbs, air ducts, sliders, blinds, louvers, etc. are in good working condition. Our Housekeeping Team also spent countless hours deep cleaning the resort. Carpets have been professionally cleaned, down spouts added, heat tape placed, garages salted, and shovels made ready for winter.

You will notice several new standards during your next visit. A Welcome Basket complete with coffee, tea, popcorn and hot chocolate will be placed in your unit to get your stay started off right. All bedrooms, including pullout beds, have new pillows, sheeting, bedding, and blankets. Master bathrooms have new towels as well as resort-provided soap, shampoo, conditioner, and lotion.

The front entrance and barbeque areas have been upgraded with outdoor seating, fire poles, and a fire pit. We also introduced Activities at the resort, which includes festivities upon your arrival and before you depart. We have also enhanced our Guest experience and will continue to make changes in the months ahead. We are ready to welcome you and look forward to showing you the new face of Circle J Club!

Associate Spotlight

Martha Vega is an important part of the Circle J Club family, with over 20 years of service in Housekeeping. As our Housekeeping Manager, Martha has been the backbone of quality cleaning and hospitality. She keeps us all informed on the condition of the units along with resort processes and systems as we have evolved over the years. She has new ideas for the future and a good memory for lessons learned in the past. Martha always has a smile on her face and embraces new opportunities with optimism and enthusiasm. She loves Circle J Club and is dedicated and passionate about her work. We are lucky to have her!

Going Green Efforts

All of our units have a recycling bin in the garage. Please remember to separate your recyclable items!

Reserve Projects

We have other important projects to tell you about! In the pool area, we added new patio furniture for the deck, including chairs, side tables, pool loungers, cushions, and umbrellas. We also repainted the exterior walls of the pool, refreshing the entire look.

In the Clubhouse, we painted the women's locker room and replaced the shower heads. We have plans to make these same updates in the men's locker room as well. Complimentary pool towels are now available at the front desk, and a dishwasher is being added to the kitchen to make for easy clean up after your gatherings! All new heating systems have been installed in the Clubhouse and Pool areas that feed the pool, spa, and clubhouse. Several old furnaces serving the units along with a few water heaters were also replaced. We will all stay toasty warm this winter!

We look forward to seeing you soon!

Warm Regards,
Lisa Harrison
